

# NAGALAND FOREST MANAGEMENT PROJECT (NFMP)

NEWSLETTER ISSUE II VOLUME 1 APRIL 2019

## From the Desk:

Hi everyone,

With the beginning of the implementation phase, it is time now to roll up our sleeves and get things up and going. Having set the foundations in place, it'll take a lot of patience and understanding to take the project to the village level if we are to realize the visions and goals that have been envisaged. Effective implementation will depend on the thorough understanding of the project details coupled with diligent application of one's knowledge, wisdom and experiences, as this will not just be another "run off the mill" projects but would like it to a model for all the externally aided projects implemented in the state. The expectations from every quarter have been set high and the fulfillment of it will lie on the efficient functioning and co-operation amongst all the institutional set-ups formed to carry out the project. With these in mind, may we stand steadfast and dedicated, pushing one self up to rise to the occasion.

Supongnukshi, IFS  
Project Director (HRD)

## Meetings conducted:

1. Governing Body meeting : **27.02.2019.**
2. High Powered Committee meeting : **25.03.2019**

## MICRO-PLAN PREPARATION TRAINING FOR DMU HEADS AND FMU HEADS

A 2 day training for preparation of Micro plan for the Batch-1 villages was conducted at the PCCF office on the 5<sup>th</sup> and 6<sup>th</sup> of March 2019 which was attended by all the DMUs and the FMUs. Mr Pinaki Dey of the Tripurainfo group was the resource person along with the PMU members.

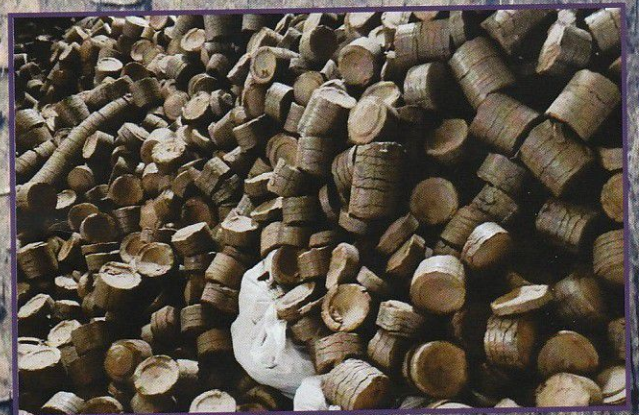

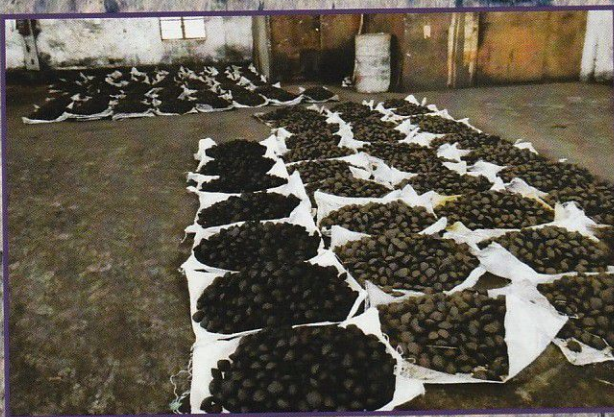

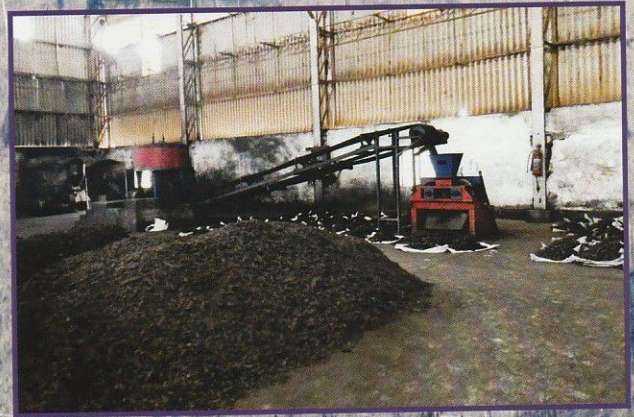

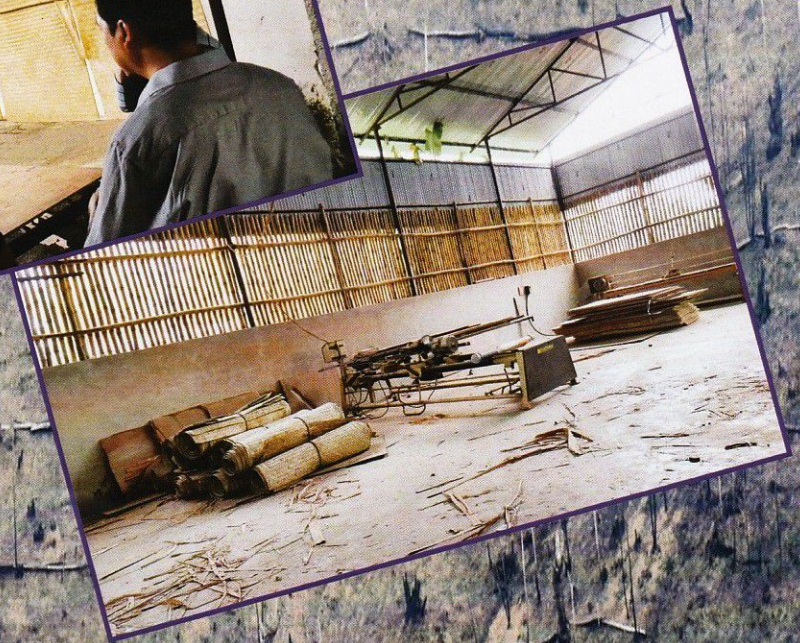

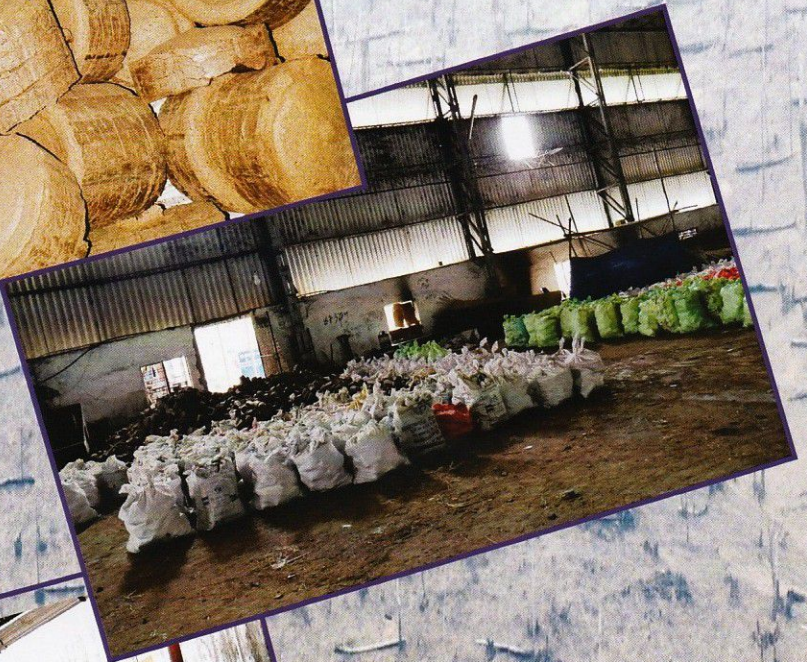

## **CONSULTATIVE MEETING OF PMU WITH THE NAGALAND BAMBOO MISSION AS PART OF ITS PRELIMINARY STUDY FOR BAMBOO SCOOPING.**

As a part of the Bamboo Scooping Study as envisaged in the work plan for the project, a consultative meeting as well as a brief exposure visit to study the activities of the Nagaland Bamboo Development Agency was undertaken at the Bamboo Resource Centre, Dimapur Nagaland. A four member team of the PMU, viz, Mr. Meyipokyim PD, Mr. Supongnukshi PD, Ms. Kim Thoutang DyPD & Mr. Ango Konyak DyPD visited the centre on the 16<sup>th</sup> of March 2019. This study aims to come up with a detailed analysis on the resource status and prospects on the value additions and market linkages on bamboos for the state.
