

(6th from Left) Shri Dharmendra Prakash IFS, Chief Project Director NFMP, along with the PMU Officials and participants of the FNGO Orientation on 19th March 2021

From the Desk:

The First Quarter of year 2021 is marked with many events which are annual in nature. This Quarter began with field visits by members of PMU. The inspecting officials during their visits, covered all aspects of the implementation like nursery works, plantation works, EPA's & WHS's and also had meaningful interaction with JFMC members. The feedback as received from PMU members have been analysed for corrective measures.

During this Quarter, the DMU's held their annual review meeting. It is heartening to note that DMUs Head had thread-bare discussions on entire gamut of issues connected with NFMP implementation. They also submitted their comments for improvement. As we came close to the end of 4th year of NFMP, extensive training program were conducted in a consistent manner. Some of the training programmes were virtual in manner due to prevalent pandemic. The Resource Organisation on Jhum and Biodiversity have conducted 1-day training of stakeholders on Bamboo at Kohima.

The Quarter ended with meeting of Governing Body and High-Power Committee. It gives me immense happiness to state that, all our proposals placed before HPC, were approved. I extend my sincere gratitude to Chief Secretary and Chairman, HPC and other members of HPC for sparing their time and applauding the efforts and initiatives undertaken by officials and JFMC members.

The upcoming year, we will have Field NGO's and SHG's in place. This will usher NFMP to next stage of implementation i.e. livelihood security, employment generation and income generation. As we are set to enter the 5th year of the implementation, my best wishes to all the stakeholders.

Looking forward for a successful planting season.

***Shri Dharmendra Prakash, IFS
Chief Project Director,
Nagaland Forest Management Project***

GOVERNING BODY (GB) MEETING

The Governing Body(GB) Meeting was held on 25th March, 2021 at the Conference Hall, Forest Office Complex, Kohima. The meeting was chaired by Shri. Vedpal Singh IFS, Addl. PCCF and PD, NFMP

Shri. Supongnukshi IFS Project Director (HRD, R & E) presented on the Project Implementation status FY 2020- 2021. Smti. Tintoli

Kuho, Remote Sensing Assistant presented WebGIS applications and Mobile applications. Shri. Pravanjan Mohapatra, Capacity Building Expert presented on Project Management Consultants (PMC) implementation status. Shri. Temjenyabang Jamir IFS, Project Director (A F & P) presented on the Financial Status of NFMP Project, Audit Report FY 2019- 20 and Annual Plan of Operation (APO) FY 2021-22.

Smti. Rongsenlemla Imchen, Deputy Project Director (CD, Livelihood & IGA) presented about the inspection visits of NFMP Project villages by PMU. Closing Remark was given by Shri. Dharmendra Prakash IFS, PCCF cum HOFF and Chairman, NFMP. Shri. Ango Konyak Dy.PD (AFP) ended the Governing Body meeting with a vote of thanks for the support and effort of all the members involved in making the meeting successful

HIGH POWER COMMITTEE (HPC) MEETING

The meeting of the High- Power Committee of Nagaland Forest Management Project Society (NFMPS) was held at 1:30 pm on 30th March 2021 in the Chief Secretary's Conference Room, Nagaland Civil Secretariat, Kohima. The meeting was attended by the members of the High-Power Committee and Special invitees.

Following is a brief account of the deliberations and decisions taken during the meeting:

- Shri. Dharmendra Prakash IFS, CPD cum CEO briefly presented the background, project objectives and implementation of the NFMP.
- Shri. Vedpal Singh IFS, Project Director (I, M & E) presented the Forestry Intervention Models in Batch-I villages, its key achievements, progress of the Batch-II Microplan. He also highlighted about various maps in the villages and monitoring activities which involves the site inspection visited by members of the Project Management Unit Officials in the district level. An overview about the development of M & E framework was also presented in which he explained that the implementation phase would require the coordination of the NGOs in collecting the data at the district level supported by the PMU.
- Shri. Limasanen Longkumer, GIS Expert presented various modules of Web GIS applications and Mobile applications developed for collecting the field data for the project.

- Shri. Supongnukshi IFS, Project Director (HRD, R & E) highlighted the key aspects of Project implementation involving the awareness generation and capacity building which includes

stakeholders such as PMU, DMU, FMU and JFMCs. He also presented the Monthly Reports, Quarterly Reports, Newsletters and Annual Reports of FY 2019-20.

- Shri. Jayesh Bhatia, International Expert & MD, NRMCC, New Delhi gave a brief introduction about its involvement in the NFMP as Project Management Consultant (PMC). He presented about PMC's participation in preparation of Project Manuals, guidelines, conducting Training Need Assessment for JFMCs and SHGs. He also presented the work plans of PMC for April to September 2021.
- Smti Anungla Phom Joint Director, DUDA presented an overview of the Department of Under Developed Areas (DUDA) where over 380 SHGs have been formed with over 11400 household covered in eastern region of Nagaland. She also highlighted about the Van Dhan Yojana, a component of the "Mechanism for Marketing of Minor Forest Produce (MFP) through Minimum Support Price (MSP)" which aims at the socio-economic development of the tribal population of the country.
- Shri. Temjenyabang Jamir IFS Project Director (AF&P) presented the Financial Status of the NFMP as on 21st February 2021 and also placed the Annual Plan of Operation FY 2021- 22 and Audit Report FY 2019-20.
- Shri. J Alam IAS, Chief Secretary & Chairman, HPC observed that the successful implementation of the Project is crucial for the state as its success would open the door for other projects in other departments. He also emphasized the need on the convergence of Agri and allied sector schemes and asked APC to coordinate between Agri and allied department for implementation of the project whenever required.

The meeting ended with vote of thanks to the Chair.

WORKSHOP ON BAMBOO RESOURCES OF NAGALAND

A Workshop on Bamboo resources of Nagaland was conducted by Resource Organisation On Jhum and Biodiversity (ROJB) at the Conference Hall, Forest Office Complex, New Minister's Hill Kohima on 19th March 2021. The ROJB is an institution set up under the JICA assisted Nagaland Forest Management Project.

A brief introduction was given by Smti. Lhinghoikim Touthang, IFS State Silviculturists and CEO ROJB. Welcome address was delivered by Shri Supongnukshi IFS Project Director (HRD) NFMP. He gave an introduction on the importance of bamboo as a resource and the need of workshops and training in order to develop the bamboo resources of Nagaland and how Nagaland can play a crucial role in meeting the requirements for bamboo products in the country.

He also exerted on the huge potential Nagaland holds when it comes to bamboo industry

development however in order to start off, field information and survey of different bamboo products, its availability and necessity for market linkage needs to be studied so as to implement policies according to the survey. A powerpoint presentation on how to collect field data using GPS, which will act as the base line data for initial survey, and how to obtain the photographs, so as to help the experts identify the various bamboo species was presented by the GIS Team, NFMP. A brain storming session along with all the Field Officers present was held where discussions on how to go about was held and it concluded that a pilot village (Mongsenyimti village) be selected under Mokokchung district for initial survey/study and implementation process so as to help standardize the format/template for data collection, after which the actual work will be initiated. Vote of thanks was pronounced by Smti. Rongsenlemla Imchen IFS Dy. PD NFMP

ONLINE ORIENTATION

One day online orientation on Nursery Operation and Forestry Intervention Models was conducted through video conferencing on 6th March, 2021 by the PMU NFMP JICA.

INSPECTION VISITS

Tuensang

Shri Supongnukshi IFS, Project Director (HRD) NFMP, Nagaland visited Litem Village (Batch-II) on 18th January 2020.

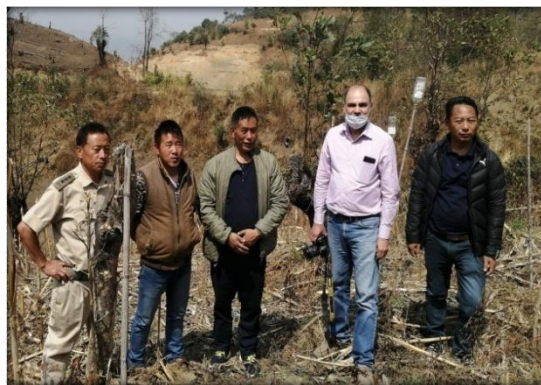

The PD (HRD) along with the ADMU Head cum FMU Head Tuensang Range, DMU staffs and Field staffs inspected the nursery and interacted with the project committee members of the project village. He visited Noksen Village (Batch-I) on 18th January 2020, Langnok Village (Batch-I) on 19th January 2020, Chimonger Village (Batch I) on 21st January 2020, Yimrup Village (Batch-I) on 21st January 2020. The PD had a brief interaction with the Project committee members and council members of the project villages and inspected the WHS, EPA and the nurseries of the project. During the inspection he also visited the buildings constructed under NFMP JICA.

He visited Tuensang on 20th January 2020 to attend District Advisory Committee meeting regarding the changing of PEC treatment areas of Yimrup village under Nagaland Forest Management Project. During the visit the PD also held meetings and interacted with the Divisional Staffs, Field staffs and the DMU staffs under Tuensang Division

Phek

Shri Vedpal Singh IFS, Project Director (IMP, M&E) undertook a 2 day inspection visit of the NFMP activities under DMU Phek from 15th and 16th March 2021.

On the 1st day Shri Vedpal Singh IFS along with the DMU Head, ADMU, FMU Pfutsero, DMU Support staff and JFMC Committee inspected the Model wise Plantation sites at Kami Village. Later he held a discussion with the JFMC committee and SHGs followed by inspection to the drainage construction site under EPA and WHS. On the 2nd day he visited the DMU Phek office and held a discussion with the NFMP support staff before moving out to Lephori village under FMU Meluri. He also visited the plantation sites at Lephori Village and later held discussions with the JFMC Committee and SHGs.

Wokha

Smti. Rongsenmenla Imchen, IFS Dy. Project Director accompanied by FMU Head & field in charge of both Wokha Range and Doyang Beat and DMU support staff inspected JAF model sites and EPA & WHS activities at Wokha village & New Riphym village on 16th January 2021. She also inspected the JFF model sites at Wokha village & Old Riphym village on 20th January 2021.

Zunheboto

Shri Supongnukshi IFS, PD (HRD) inspected the Plantation and Nursery sites in Emlo and Yesheluto village under Atoizu Beat on 22nd January 2021. accompanied by Shri Bokato FMU Head/RFO along with Forest Guard and JFMC members. He also inspected the plantation and nursery sites in Mishilimi village on 29th January 2021. Shri Kihoto FMU Head/RFO along with Forest Guard and JFMC members accompanied him in his visit.

Kohima

Shri M. Senthil Kumar, IFS CCF (Monitoring & Evaluation) Nagaland, Shri Rajkumar M. IFS, DFO cum DMU Head Kohima, Dr. Sevono Seletsu ADMU Head, Shri V Mato Koso FMU Head of Chiephobozou Range, Field Staff and DMU Support Staff visited Tuophema Village. The visiting team interacted with the Self Help Groups. During the interaction, the SHG member appraised on their Income Generation Activities taken up by the members. They also shared their positive experiences on Shiitake Mushroom Pilot Project. He expressed happiness to see the activities of the SHG's and encouraged them to work hard.

Kiphire

Shri. Temjenyabang, IFS, PD (A,F &P) visited Kiphire on 13-15th January for inspection of all NFMP activities at Kiphire district.

He was accompanied by Shri Atsase Thongtsar, OSD, EFCC. He had visited five villages viz Anatongre (Batch-I) & four Batch-II villages namely Bilongkyu, Old-Risethsi, Pokhpur & Keor on 14th & 15th January 2021. He also inspected all the seven newly constructed buildings in the divisional HQ including DMU Office, FMU Office, Range Quarter, two Forester Quarter & two Forest Guard Quarters. During the interactive session he explained to all the JFMC members about the purpose of his visit and also informed that many higher officers from the department & JICA representative is expected to visit in the near future for inspection of project works. He also encouraged the JFMC member to execute project activities to its best and for better results.

He acknowledged the commendable works carried out in Pokhpur for the nursery development at their own initiative & without any financial assistance from project fund during last year 2020. He also declared that some initial amount has been released to the divisional unit for supporting the nursery works in Batch-II villages

Longleng

Shri Samom Khelen Singh IFS Dy.PD visited Longleng district NFMP Project Villages on 10th of February, 2021. He along with DMU Head, ADMU Head and FMU Head Longleng and Sitap Range went to Sanglu and Hukphang village for inspection.

Mokokchung

Shri. SamomKhelen Singh IFS Dy.PD visited Mokokchung district on Feb 8th 2021, and had a field inspection at Mopungchuket and Mongsenyimti village. He was accompanied by the FMU, DMU Staffs & JFMC's members.

He also inspected the JCF & JFF Model areas and interacted with SHG's of Changtongya New Village.

Mon

Shri. Ango Konyak Dy.PD visited JFMC Mon village on 6th January and inspected the Nursery and the Plantation Sites. He also had an interactive session with the JFMC members of Mon Village.

Peren

Smti. Lhinghoikim Touthang, IFS Dy. Project Director (D, P&R), visited DMU Peren on 12th March 2021. During her visit she had an interaction with Shri.

Obed Zeliang DMU Head Perenand the DMU staffs at DFO office.

Smt. Lhinghoikim Touthang, IFS, DMU Head Peren, FMU Head Peren & Tening, DMU staffs and field staffs visited the plantation site of two models i.e., JAF & JFF at Nchangram village and interacted with the JFMC & SHGs members and also inspected nursery

ORIENTATION OF FNGO

Northern Territorial Circle (NTC):The PMU organised an orientation workshops for FNGOs of Northern Territorial Circle from 17th- 19th March 2021 at the Conference Hall, PCCF Office Complex, Nagaland, Kohima. A total number of 52 participants attended the orientation workshop.

PCCF & HoFF cum CPD Shri Dharmendra Prakash, IFS inaugurated the program. Shri Spongnukschi IFS, Project Director (HRD, Research & Extension) gave a powerpoint presentation on the overview of

Nagaland Forest Management Project. During the technical session, Shri Temjenyabang, IFS PD (AFP) gave a presentation on Joint Forest Management – concept and history. Shri Pravanjan Mohapatra, Capacity Building Expert, PMC gave a PowerPoint Presentation on NFMP Implementation Framework and Role of FNGO's in overall implementation of the project.

Southern Territorial Circle (STC): The PMU organised an orientation workshops for FNGOs of STC from 22nd- 24th March 2021 at Conference Hall, Forest Office Complex, Kohima.

TRAININGS

Hands on Training for DMU Staffs on MPR and SoE:

The MIS Cell (PMU) conducted Hands on Training of MPR and SoE for the Data Entry Operator & Account's Assistant of all DMU's on 14th January 2021.

MIS Training for All DMU Heads/ DFOs: An Online Training on MIS was hosted for DMU Heads/ DFO by the MIS Cell, PMU on 18th January 2021

Hands-On Training on use of Web GIS Portal and Mobile Application for Monitoring and Collection of Field Data under NFMP Project at Forest Office Complex, Kohima:

A four days training on use of NFMP Mobile app for data collection of field data and use of WebGIS Portal for monitoring the project was held from 8th to 11th February at the conference hall of Forest Office Complex, Kohima for DMU Kohima, Phek and Wokha districts. On the first day of the training, in his introductory remarks, Project Director (HRD, Research & Public Relations), Shri Supongnukshi IFS encouraged the participants to be actively involved in the training & to utilize the training in the field. DMU Head Kohima, Shri Rajkumar M. IFS said, the training will ease the work for collection of field data. GIS Experts and operators introduced the Web GIS and Mobile Application. They also imparted hands-on practice of WebGIS Application and its uses. The third day of the training was conducted at Botanical Garden, Kohima for field traversing with Survey team using mobile app both in online and offline mode. On the last day of the training, the data collected in the field were uploaded on server through Mobile app. The uploaded data were also checked using WebGIS application.

Hands-On Training on use of Web GIS Portal and Mobile Application for Monitoring and Collection of Field Data under NFMP Project at Forest Office Complex, Dimapur:

A four-days training on WEB GIS and mobile application for monitoring and collection of field data under NFMP was conducted from 22nd-25th February, 2021. Dimapur hosted three forest divisions: Dimapur, Longleng and Peren for the training.

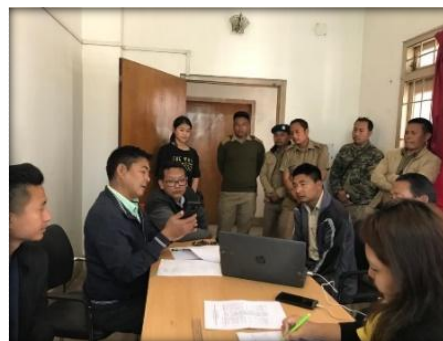

A field visit to Thekrejuma village was also organised on 24th February 2021 to monitor different works with the help of a mobile app. The training was conducted by Anurag Verma GIS Expert PMC, Limasanen Longkumar GIS Expert PMU NFMP and GIS team members of NFMP.

Subongchiten Jamir and Anamoa Imsong presented various modules of this applications and their uses.

ACTIVITIES UNDERTAKEN AT THE DMU LEVEL

DMU Dimapur

Trainings: The DMU support staff organised a brief training on GPS Instrument and area marking for the FMU staff both Piphema and Medziphema on 21st Jan 2020 at the DMU office, Dimapur.

Annual Review Meeting: The Annual Review Meeting for DMU Dimapur was held from 19th -20th March 2021 at Forest Office Complex Conference Hall. The Meeting was attended by DFO cum DMU

Head Dimapur, ADMU along with all the DMU Support staff, FMU Heads and JICA Field Staff, JFMC Executive members and Village Council Chairman of both Batch I & II Villages under DMU Dimapur.

DMU Kiphire

Trainings: On the need of collection of data under Nagaland Forest Management Project at field level, Shri Anurag Verma visited during 1st - 4th March for imparting the training on the use of WebGIS portal

and the Mobile Application for the same at the DMU office, Kiphire.

It also included one day field visit to one of the Batch I village to have a first-hand experiences about the means and ways for the collection of data. The training was presented by Shri. Anurag Verma (GIS Expert, PMC, NFMP) and Shri. Supongchiten Jamir (GIS operator). The training was participated by DMU head, FMU head, field staffs & DMU support staffs.

Annual Review Meeting: Divisional Management Unit Kiphire organised its Annual Review Meeting on 17th March 2021 at Divisional Forest Office, Kiphire. Joint Forest Management Committee representative from Batch-I & Batch-II villages were also invited. Shri. James T Khulu SDO (C) Kiphire was also present in the meeting as Deputy Commissioner's representative.

The Annual Review Meeting was conducted to review and evaluate the activities carried out during the Financial Year 2020-21. Along with this, the meeting was conducted to share their experiences both by department and JFMC members and all other stakeholders.

DMU Kohima

Hands-On Training on Accounts and Book-keeping: DMU Kohima organised a one-day training on Accounts and Book- Keeping for Batch I villages

under NFMP on 1st February 2021. Treasurers of Nsunyu, Tuophema and Zhadima village attended the training along with Chairman of Nsunyu Village.

DMU Kohima support staff gave training on how to maintain cash book, voucher, money receipts how to fill up muster roll, maintaining fixed asset register, updating their bank pass book, maintenance of plantation, nursery, meeting, asset, dak and visitor's registers

Annual Review Meeting: DMU Kohima held its Annual Review Meeting on 25th March 2021 at the Conference Hall of Forest Office Complex, Kohima. Addressing the gathering, Divisional Forest Officer cum Divisional Management Unit Head, Shri Rajkumar M., IFS congratulated the Joint Forest Management Committees (JFMCs) for achieving the target despite the lockdown. He appreciated the efforts of FMU and DMU support staffs for their sincere hard work. Assistant DMU Head, Dr. Sevono Seletsu gave a presentation on the activities of the past one year.

Representative from the Administration, Smt. Kelengunuo Solo, EAC, Kezocha expressed happiness to see the progress of the project. On behalf of the Deputy Commissioner and District

Administration, she wished the best for the future works and assured co-operation from the Administration for the implementation of the project. Representatives from both Batch-I and Batch-II villages shared their experiences and progress that is going on in their respective villages.

Microplan:

DMU support staff visited Seiyhama village under Chiephobozou Range on 22nd January 2021 to collect the details of the village for Microplan. Photographs along with GPS Coordinates of important institutions of the village were also collected.

DMU support staffs visited Viphoma village under Chiephobozou Range on 15th January 2021 to collect the details of the village for Microplan. Photographs along with GPS Coordinates of important institutions of the village were also collected

DMU Longleng

Training: On 1st of February, 2021 one day training programme on maintenance of JFMC Record was conducted at Longleng Forest Division by NFMP support staff for the Batch-I villages i.e., Hukphang, Sanglu and Kangching.

Annual Review Meeting: Nagaland Forest Management Project, DMU, Longleng conducted the Annual Review Meeting on 24th and 25th March, 2021, at Forest Office Complex, Longleng. The meeting was chaired by FMU Head Longleng.

Participants included both the Batch 1 and 2 JFMC members, village council representatives, Forest Staff, Field NGOs and DMU support staff

DMU Mokokchung

Workshop on Shiitake Mushroom: On 10th January 2021 a workshop on Shiitake mushroom was conducted in Mopungchuket village. The resource person for the workshop was Dr. Sosang. All the FMU staff and the JFMC along with the villagers attended the program.

Training: Training on web GIS portal and mobile application for monitoring and collection of field data was held from 15th – 18th February 2021 with the involvement of FMUs and DMU Staffs of Mokokchung, Zunheboto and Tuensang

Hands on field training on GIS Mobile application was conducted at JAF Model area, Mongsenyimti Village along with DMU and FMU staffs of

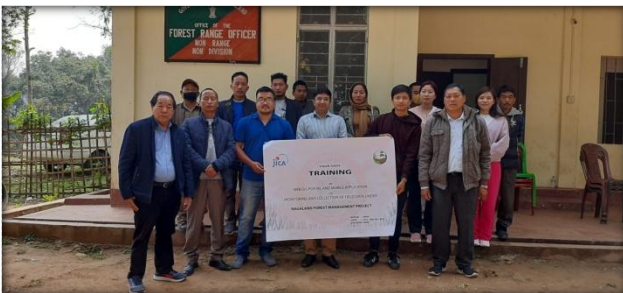

Mokokchung, Zunheboto & Tuensang on 17th February, 2021

Annual Review Meeting: On 20th and 22nd March 2021, District level Annual Review Meeting was held at DMU Conference Hall, Marepkong along with the JFMC members of Batch-I and Batch-II villages.

DMU Mon

Training on Web GIS portal and mobile application: Four day training programme (1st to 4th March 2021) was held at Mon Range Division office. Training was attended by DFO Mon, FMU heads of Mon & Naginimora Range

Annual Review Meeting: Project review meeting was called by DFO on 16th March 2021 at Divisional Forest Office in order to review the achievement and activities under NFMP (JICA) Mon division. JFMC representatives of both Batch I & II villages attended the review meeting which was chaired by DMU head. Both the FMU heads of Mon & Naginimora Range along with NFMP support staffs attended the said meeting.

Meeting and Introductory session with NGO Mon Division: Brief meeting and discussion with the selected NGO for Mon Division was held at DFO Office where the members were briefed on the ongoing works under NFMP (JICA) Project

Microplan: In preparation of Batch-II Microplan NFMP staffs visited some villages as part of the process of inclusive work towards preparation of final drafting of Microplan. The DMU staffs had a meeting with JFMC's of some Batch II villages to show and discuss with them the final drafting of Microplan.

DMU Peren

Annual Review Meeting: DMU Peren had conducted the annual review meeting on 30th & 31st March, 2021 at 11:00 a.m. at the Forest Resource Centre, Jalukie town Peren. The meeting was attended by JFMC Members of all the project villages, FMUs and DMU staff. The meeting was held along with the DMU support staffs and JFMC members, where the JFMC members shared their success stories of this project and suggest their views and opinions on efficient and systematic implementation of the project.

DMU Phek

Annual Review Meeting: DMU Phek held its Annual Meeting on 30th March 2021 at the Divisional

Forest Office Phek. The meeting was chaired by the Planning and Livelihood expert Miss Lozuvi Nyuthe. DFO cum DMU Head Shri Velatso Demo IFS, welcomed the gathering and thanked the participants for attending the meeting positively. He gave a brief overview of the NFMP project and also gave a Power Point Presentation of the activities undertaken during the FY 2020- 2021. A total of 6 Village JFMC's attended the meeting and later discussion was held with the villages from the Batch 1 and 2 whereby questions and queries regarding the project were discussed

Data collection for GIS Portal and Mobile Application at Kami Village:

Field work on Web GIS Portal and Mobile Application for the Monitoring and Collection of the field data under NFMP Project was done on 25thFebruary 2021 at Kami village under FMU Pfutsero. FMU Pfutsero staffs who attended the earlier 4-day training at PMU Kohima conducted a field visit to Kami village (Batch-I) for the collection and input of data to the web GIS. The team conducted a maintenance model under the 4 different Modules of the Web GIS.

Micro Plan: Micro Plan 2nd review meeting was held at Akhen village on the 20thof January with ADMU, Meluri FMU Head, staffs and support staff. The team held a review discussion with the stakeholders on the progress of the micro plans and also cleared the doubts of the JFMC on the problems or issues they might be having.

Micro Plan 2nd review meeting was conducted on Pfutseromi and Lekromi Village on the 25th of January 2021.

DMU Tuensang

Annual Review Meeting: DMU Tuensang held the meeting on 26th March 2021 at DFO Office Tuensang. Shri. Dzuthovito Lcho chaired the meeting by welcoming all the participants from JFMC's of the project villages.

In the opening remark Dr. C. Zupeni Tsanglai IFS, DFO cum DMU Head briefed about the significance of Annual Review Meeting while implementing project in the JFMC villages. She reminded JFMCs about their Roles and Responsibilities about various developmental works in the village; she also informed the body about how to collaborate and work with ECS (FNGO) so that NFMP can be successfully implemented in the district.

Training: The ADMU Head, DMU staffs and FMUs staff under Tuensang Division attended four days training on Web GIS Portal and Mobile Application for Monitoring and collection of field data under NFMP which was held at Mokokchung from 15th – 18th February 2021

DMU Wokha

Participatory Rural Appraisal at Nungying village:

DMU Support staffs went to Nungying village on 4th January 2021, conducted meeting with the village council members, JFMC members and SHGs. The team briefed them about the intention of the visit and formed the Village Microplan Work Group (VMWG), & prepared the social map and resource map with the assistance from the JFMC members and conducted transect walk for microplan purposes.

Annual Review Meeting: The annual review meeting of DMU Wokha was held at Forest Colony Community Hall on 30th March 2021 at 11:00 am. The Meeting was attended by SDO (Civil) Wokha, DFO Doyang Plantation Division, Wokha, FMU Head Wokha & staffs, FMU Head Doyang & staffs, DMU support staff and Presidents of both Batch-I & II villages. Smti. Zuthunglo Patton, IFS, DFO cum DMU Head, Wokha, NFMP, chaired the meeting and briefed the agenda of the meeting.

DMU Zunheboto

Microplan Preparation: A team of DMU Zunheboto officers and staffs were guided by Mokokchung team led by Dr. Sentitula DFO on 12th and 13th Jan 2021 in Mokokchung for the preparation of Batch-II microplan.

Annual Review Meeting: The annual review meeting was held on 25th and 26th March 2021 led by chairperson, Dr. Sentitula DFO Zunheboto/ DMU Head in Forest Conference Hall, Zunheboto.

The meeting was attended by 48 members including DMU head, Miss N. Nyamok Konyak EAC Zunheboto, ADMU, FMU Heads, JFMC members, supporting staff and office staff.

One of the main components of the Nagaland Forest Management Project along with the Forestry interventions and Biodiversity Conservation is Livelihood improvement and Community development. The DMU Head along with the FMU Heads has distributed 450 Nos. of 14-day old vaccinated Broiler chicks along with Starter Feed to all the 9 Villages to improve their Livelihood and work towards conservation of forest.
