

NAGALAND FOREST
MANAGEMENT PROJECT

NEWSLETTER

APRIL-JUNE 2023

ISSUE NO. 2 | VOLUME - V

From the Desk:

The present quarter happened to be the plantation period and all plantation activities and maintenance work was taken up during the period.

Ancillary activities like training was incorporated in the quarter. The Exposure trip of DMU Support Staffs was conducted during the quarter and the staffs were taken to Tripura for experiencing various activities being undertaken by Tripura SCATFORM Project.

During the month of June, Hon'ble Minister for Environment, Forest & Climate Change and Village Guards inaugurated the Village Gate in Terogvunyu village as part of Entry Point Activity (EPA) under NFMP.

M. Senthil Kumar, IFS
Project Director (HRD)
Nagaland Forest Management Project

Inauguration of Terogvunyu Village Gate

Shri CL John, Minister for Environment, Forest & Climate Change and Village Guards, inaugurated Terogvunyu Village Gate on 7th June 2023. During the inauguration, the Minister was pleased to learn that the village community had judiciously utilised the fund to construct the village gate, resulting in its success. The Minister urged the village community to collaborate and work in tandem with the department for development. Stating that Tseminyu district is the gateway for development of other districts, owing to its strategic location, the Minister further urged the village community to maintain their good work and serve as a model for others.

In his brief speech, Shri Temjenyabang, IFS, Project Director (A, F & P), NFMP lauded the efforts of the village community particularly the Joint Forest Management Committee for the various tasks executed under NFMP. Adding that future projects depend on the present work, he further encouraged the village community to work wholeheartedly for the success of the project.

Shri Daniel Tep, Village Council Chairman, in his welcome note, highlighted about the village gate, which was a much-felt need of the village. He said that under the component of Entry Point Activity in Nagaland Forest Management Project assisted by JICA, they had constructed the village gate in convergence with the village council.

During the inauguration, Smt Zuthunglo Patton, IFS, Conservator of Forests (STC), Nagaland, Shri Rajkumar M.IFS, DFO & DMU Head Kohima, Dr. Sevon Seletsu, ACF & ADMU Head, Shri Yhuntilo Kent, FMU Head Tseminyu, Field Staff, DMU Support Staff and representatives from the neighbouring villages were present.

Shri CL John, Minister for Environment, Forest & Climate Change and Village Guards along with officials of the Department during the inauguration

Exposure Trip to Tripura:

An Exposure Trip to Tripura for Northern Territorial Circle (NTC) staff was organized by PMU Office Kohima, from 17th to 22nd April 2023. DMU Support staff - Planning and Livelihood Expert and IEC, CB & Documentation Expert, Livelihood Co-ordinator of FNGO from the DMUs of NTC participated in the tour.

NFMP NTC Team alongwith PMU Officials and Staff of Tripura SCATFORM Project. at Bamboo and Cane Development Institute (BCDI) with Dr.Abhinav Kant.

NFMP Annual Review Meeting of Longleng DMU 2023:

The Annual Review Meeting of Nagaland Forest Management Project (NFMP) Longleng Divisional Management Unit (DMU) was held on 28th April 2023 at DMU Office Hall with Shri. Tsangli Tikhir, Monitoring, Evaluation and Convergence Expert as the Chairperson.

Shri. Suvil Ltu, DMU Head Longleng greeted the gathering and briefed on the importance of Annual Review Meeting, for the betterment and smooth functioning of the NFMP project. He urged the members present to be more dedicated and work diligently in order to reap benefits even after completion of the NFMP project. In addition, he urged all to strive for excellence to make DMU Longleng an example of success for Nagaland state.

Later, review of NFMP works from 2022-2023 under DMU Longleng was presented by Ms. Monglam Phom, Planning & Livelihood Expert through PPT presentation, while the progress of NFMP and JFMC feedback from Batch-1, 2 and 3 villages were presented by JFMC Chairman and representatives from Hukphang, Sanglu, Pongching, Mongtikang and Yachem Villages. Mr. Sentiyatet Phom, Livelihood Coordinator, FNGO, LEMSACHENLOK explained the Livelihood activities and RF for SHGs.

While presenting Field Report, Smt. Chepeü Koza, FMU Head emphasized the primary goals of Forestry Interventions, Livelihood Improvement and Infrastructure Development.

Further, she presented the preview of various forest modules from JAF, JFF, JCF and JCC areas of Batch-I and Batch-II villages and made a comparison about its yearly progress. She focussed on the areas that had a weak plantation status over the years, and those that still require new plantations to be established. She showcased several model areas where plantations were planned for Batch-3 villages this year and furthermore encouraged the JFMC members to unite their efforts and exhibit positive results.

During the general discussion, the Chairman of JFMC Sitap recounted the benefits villagers were receiving from the EPA and WHS of NFMP, JICA Project. Mr. Mongnyei, Community Mobilizer of FNGO prompted the JFMC members to be more sincere and dedicated in executing their tasks as it is in their best interest. SHG representative also shared her experience in piggyery, where it was observed that Local Piglets were more convenient for rearing because of its food habits and survival rate. She added that her piglets were fed leaves from the field and Tapioca roots, rather than market products.

Installation of Water Filtration Plant at Yachem Village:

The water filtration plant at Yachem Village was installed by a technical team from Gauhati in the presence of Yachem Village Council, JFMC members and DMU support staff on 15th May 2023. This water filtration plant provides clean drinking water for around 180 households of three morungs in the village.

Technician installing the water filtration plant at Yachem Village.

NTC Circle Level Quarterly Review Meeting at Mokokchung:

The NTC Circle Level Quarterly Review Meeting was attended by Shri. Alemwapang, ADMU Head and DMU Support staff at DMU Office Mokokchung on 18th May 2023 in the presence of Smt. Rongsenlemla Imchen, IFS, Conservator of Forest cum PRC Chairperson, NTC and Dr. Sentitula, IFS, DFO cum DMU head Longleng & Mokokchung.

During the meeting, Shri. Alemwapang, ADMU Head, DMU Longleng presented the activities carried out under Longleng Forest Division and Mr. Sentiyatet, IGA Coordinator presented the activities of FNGO under DMU Longleng. During the meeting, LiFE (Lifestyle for Environment) awareness campaign was launched.

The meeting was attended by all the FNGOs and DMU officials of all the Northern Territorial Circle (NTC).

FNGOs and DMU officials of all the Northern Territorial Circle (NTC) after the meeting.

PMC Field Visit at Pongching and Hukphang Villages:

The PMC team led by Dr. Arun M Dixit, Forestry & Biodiversity Expert, Smt. Aoinla Pongen, Team Member, PMC, Shri. Tsangli Tikhir, Monitoring, Evaluation and Convergence Expert, and DMU Support Staff visited Pongching village and Hukphang Village on 24th May 2023.

The team engaged in interactions with the beneficiaries and JFMC Members regarding plantation and functioning of its activities. Upon return, the team visited JFF area of Hukphang village for site inspection.

Annual Review Meeting under DMU Phek

The Annual Review Meeting under DMU Phek was held on 28th April 2023 at Divisional forest office Phek. The meeting was attended by DFO cum DMU Head Shri. Thepufusie (IFS), FMU heads and staffs, DMU support staffs, FNGOs and representatives from batch I and II villages.

The Annual Review Meeting was presided over by Shri. Chenibemo Odyou, Team Leader of FNGO FES Phek. In his welcome address, Shri. Thepufusie DFO cum DMU Head extended congratulations to the JFMCs for their accomplishments and timely completion of activities during the FY 2022-23. He emphasized that despite the challenges faced during implementation of the project activities, they are contributing to a positive transformation for the future generations. He offered special commendations to the Batch II villages for successful execution of EPA and WHS activities and extended his best wishes to the JFMCs for the upcoming year.

PMC visit Kami Village

On 16th May 2023, the PMC team, led by Shailesh Nagar M&E expert, Dr Arun M Dixit Forestry & Bio diversity Expert, conducted a visit to Kami Village. The objective of the visit was to explore strategies to fix original and target survival rate of non-felled trees in each model.

The PMC team conversed with the Kami JFMC to explore methods for assessing the survival rates of both felled and non-felled trees inside the quadrat. The team was accompanied by ADMU Head, DMU support staffs and FNGOs.

The PMC team conversed with the Kami JFMC to explore methods for assessing the survival rates of both felled and non-felled trees inside the quadrat. The team was accompanied by ADMU Head, DMU support staffs and FNGOs.

CF cum Chairman PRC (NTC) visit Phek Division

Smti. Rongsenlemla IFS, CF (NTC) cum Chairman PRC visited the Batch-I & II villages under FMU Pfutsero on 23rd and 25th May 2023. During her stay, she inspected the EPA & WHS sites and engaged in lively interactions with members of the JFMC and SHGs.

PMC visit Kikruma Village: On 5th May 2023, the PMC visited Kikruma village (Batch II) under FMU Pfutsero. The visit was scheduled ahead of the proposed JICA-India visit to Kikruma village.

FPIC: DMU Staff along with FMU Head, Forest Guards and FNGOs (Life Care Society) visited Nokhu village to obtain Free & Prior Informed Consent on 4th April 2023.

Manufacture of Jaggery was undertaken by Myanta SHG of Longsachung Village (20kg of jaggery was processed)

PMC visits: The PMC Team led by Shri. Pranab Chaudary, Team Leader visited New Riphym village on 5th May 2023 to inspect the progress of Forestry Intervention and Livelihood for the forthcoming midterm annual assessment by JICA-India. The team examined a sample plot to estimate the survival rate of the natural regeneration and planted saplings in JAF site. After engaging in discussions, the DMU and FMU staff were tasked with producing a report on the Soil and Water Conservation initiatives and conclusions undertaken under Forestry Intervention in Yikhum Village (Batch-III). PMC team apprised the concerned officials to ensure the updation of registers and record keeping of all JFMC and SHGs.

Annual Review Meeting of DMU Wokha

Training on Post harvest management and value-added product of locally available vegetables and fruits: The training was organised by DMU Office on 8-9th June 2023 at Forest Community Hall, Wokha. The training was organised for the SHGs on “Post-Harvest Management and Value-Added Products of Locally Vegetables and Fruits”. Altogether 42 SHGs from Batch-I, II & III participated in the training. The activities conducted during training includes Mix Pickle Making, Fruit Juice Making, Tomato Puree Making and Vegetables Preservation methods.

Piggery being one of the significant Income Generation Activities under NFMP. Peselie SHG has also undertaken piggery with the initial procurement of piglets utilizing the Revolving Fund received from NFMP JICA, and thereafter income is being generated through sale of piglets e.g., 5,000/- per piglet. (Medziphema Village)

Investment on betelnuts is another prominent IGA for SHGs under NFMP. The Aiko SHG of Hekheshe Village is engaged in this activity whereby harvesting to packaging is done by the SHG members. The procedure includes packaging in air tight bags and storage for 3-4 months. These finished products are linked to the market in different areas of the State. The entire process was video documented.

Inspection Visit of Shri. Ango Konyak, Dy. PD (AF & P) Day1 (9th May 2023): The Dy. PD (AF & P) had a meeting with the DMU Support Staff and FMU Team at DMU Office Dimapur. The Meeting was attended by all the FMU staff and DMU staff along with the ADMU Dimapur. During the meeting the issues of NFMP JICA activities undertaken in all the JFMCs under DMU Dimapur, and office procedures were discussed.

Day2 (10th May 2023): Inspection visit by Dy. PD (A,F&P) to Hekheshe and Medziphema Village (Batch I) along with ADMU Dimapur, Support Staff, FNGO and FMU Field Staff. Interactions with JFMC & SHG members of both Batch I villages were held. Further, Dy. PD(AFP) inspected JAF & JCF Model at Hekheshe Village, EAP & WHS sites at both Batch I Villages.

Kupukini SHG members, Pherima A Village, Batch II under Piphema Beat initiated ginger plantation as part of Income Generation Activity.

SHG Profiling was conducted and completed at SirhiAngami village, Batch III under Medziphema Beat. A total of 5 SHGs were profiled out of which 3 SHGs shall be selected as the internal stakeholders under NFMP.

Baseline Survey for Batch III villages namely, Sirhi Angami and Ruzaphema Village under MedziphemaBeat was completed during the month of June 2023. During the survey, 24 households and 25 households were conducted at the respective villages using the Kobo app.

Nursery constructed at Ruzaphema Village, Batch III under Medziphema Beat. The nursery structure measures 70M in Length and 18M in Breadth.

Shri. BeizoSuokhrie, IFS, DFO cum DMU Head Dimapur briefing and welcoming the Mobius Young Professionals on their first/ introductory meeting to NFMP-JICA at DMU Office Dimapur. 13 Young Professionals/ graduates will be attached with DMU Dimapur for the next 4 months.

Training Programme at DMU Dimapur:

A 2-day Training Programme on Forestry and Conservation Models under NFMP for ADMU and FMU Heads (STC) was held at SEFTI Dimapur. Dr. Arun Mani Dixit, PMC, Forestry & Biodiversity Expert and Ms. Aoinla, PMC member facilitated the training held at Conference Hall, SEFTI. Field exercise to Piphema Old village was organised on the 2nd day (30th May 2023).

Gora Neem saplings being raised by JFMC Members of Ruzaphema Village, Batch III under Medziphema Beat. The seeds were locally collected and each household will be raising 1000 saplings which will later be transported to the NFMP Nursery.

Naga garlic harvested by Phezou SHG members from Piphema Old Village, Batch II under Piphema Beat, as part of their Income Generating Activity

On 6th May 2023, DMU Kiphire support staffs visited Yinshikiur village to supervise and coordinate SHG profiling activity initiated for the Batch III Village. Altogether, 7 (seven) SHGs were profiled in coordination with FNGO in the presence of JFMC members.

On 18th May 2023, DMU support staffs visited the JCF Model Plantation area. The plantation activities were scrutinized and supervised by the visiting team. The total area under JCF model was 9 Ha.

Zhimkiur village (Batch-III) construction works of WHS Baseline Survey:

On 17th June 2023 DMU Kiphire support staffs visited Yinshikiur village to supervise Baseline Survey activity initiated for the Batch III Village. The Baseline Survey was conducted for the 3 (three) selected SHGs namely Malaki SHG (9 members), Mutruki SHG (8 members), and Alibok SHG (9 members) using dedicated mobile App.

The activity was conducted in coordination with FNGO Field Supervisor and FNGO Field Mobiliser in-charge of Yingshukor in the presence of JFMC members.

Formation of JFMC: DMU Kiphire Support staffs headed by Shri. Chupitho ADMU Head & Shri. Bendangtmsu FMU Head along with FNGO Team Leader, field staffs visited NFMP Batch-IV villages namely Langzanger village & Thsinger village on 24th June 2023 for General Meeting cum Constitution of village JFMC. The General Meeting was conducted to sensitize and obtain approval from the village for the implementation of the Project. It drew the attention to the aims & objectives of NFMP upon which both villages reached a consensus to undertake the projected and consented its implementation.

Annual Review Meeting

Divisional Management Unit, Kohima, NFMP conducted Annual Review Meeting on 12th and 13th April 2023 at the Conference Hall, Forest Office Complex, Kohima.

Addressing the gathering, Shri Rajkumar M. IFS, DFO cum DMU Head, Kohima emphasized that the capacity building of the community created through the project will take the village development forward. The DFO underscored the importance of community inclusion in the project, thereupon encouraged the JFMC members to operate in unison for successful implementation of the project in their respective villages.

Ms. Limakumla Pongener, EAC Kohima, representative from the administration stressed on the importance of fund utilization by the community. She lauded the efforts of the Forest Department for effective implementation of the project. Presenting a positive feedback on the project, she further encouraged the JFMC and the community to work for success of the project.

Activities and achievements of the project were also presented and discussed. The DFO requested the FNGO team to initiate the profiling of Batch – III SHGs as instructed by the PMU. Further, instructions were given to the FNGO to convey the village community to utilise the JFMC meetings as a platform to implement the project in more inclusive manner.

Visit to Zhadima 'A' village

Smt. Zuthunglo Patton IFS, CF, (STC) along with Shri Rajkumar M. IFS, DFO & DMU Head Kohima, Dr. Sevono Seletsu ACF & ADMU Head and FMU Head visited Zhadima 'A' village on 26th May 2023.

During the interactions with Zhadima 'A' village council members, JFMC members and SHGs members, the CF assessed the undertakings of SHGs members and examined the various records of SHGs and JFMC members. During the evaluation of the EPA and WHS, the CF conveyed her approval of the community's genuine need for the construction of these facilities. The CF along with the officials also inspected various forestry intervention models and observed that, maintenance as well as casualty replacement have been carried out by the JFMC members.

During the visit, LiFE pledge was also taken along with the village community.

Smt. Zuthunglo Patton IFS, CF, (STC), Shri Rajkumar M. IFS, DFO & DMU Head Kohima, Dr. Sevono Seletsu ACF along with SHGs & village council members

Smt. Zuthunglo Patton IFS, CF, (STC) along with Shri Rajkumar M. IFS, DFO & DMU Head Kohima, Dr. Sevono Seletsu ACF & ADMU Head and FMU Head visited Tuophema and Terogvunyu villages on 27th May 2023.

During interactions with the JFMC and SHG members, the CF examined the various records and register maintenance. The CF was also apprised on Mission Amrit Sarovar in PEC model, Tuophema, from where fingerlings are being given for free to the members of the village community having fishery ponds. The CF also visited the PEC Area and inspected the EPA and WHS constructed in the villages.

At Terogvunyu village, the CF inspected EPA - village gate, which was nearing completion.

Upon inspecting the register of the JFMC and SHG members, the CF advised them to ensure timely updation and urged them to carry on the good work.

During the presentation on the Project activities, Shri Rajkumar M. IFS, DFO & DMU Head Kohima informed about the availability of the Information Sheet for NFMP Villages in the local dialect. He further stated that the SHG members will receive training on accounts shortly.

On 28th May 2023, the CF also inspected various registers maintained under DMU Kohima.

PRA Exercise for Batch – IV villages

Participatory Rural Appraisal Exercise with Micro Plan working bodies was conducted in Batch – IV villages of Zisunyu Sishunyu and Gwachonlo villages on, 20th, 22nd and 26th June 2023 respectively. During the exercise, the village members were given an overview of their roles, responsibilities, and the primary objectives of the NFMP.
