NAGALAND FOREST
MANAGEMENT PROJECT

OCTOBER - DECEMBER 2023

VOLUME-V | ISSUE NO. 4

From the **DESK**

The present Quarter coincided with the Wildlife Week and the Wildlife week was celebrated with the participation of JFMC & SHG members. The theme of the Wildlife Week celebration was ***“Partnership for Wildlife Conservation”*** and it was so appropriate that the JFMC members participated in large numbers during the celebration.

Shri C.L. John, Hon'ble Minister for Environment, Forests & Climate Change and Village Guard inaugurated the Village gate of Pongkong village as part of Entry Point Activity and during the occasion, he expressed his appreciation for the work done by the NFMP.

The quarter witnessed various activities under NFMP including nursery maintenance, plantation maintenance, trainings and field visits.

M. SENTHIL KUMAR, IFS
Project Director (HRD)
Nagaland Forest Management Project

DMU Dimapur:

- * FMU Head Shri. Bendangtemsu, DMU support staffs and FNGO members visited Thekrejuma village (Batch-I) on 18th Oct 2023, to conduct meeting with JFMC and SHGs members. During the meeting, the visiting team briefed the members on various issues regarding the formation of SHG clusters from the existing SHGs for the village.
- * DMU Dimapur celebrated the Wildlife Week on 2nd Oct. 2023. While observing the wildlife week, a team of 15 professionals under Mobius Young Climate Leaders for Himalayan Development were briefed and trained on all aspects of Wildlife including awareness, conservation, human-animal conflict issues, Wildlife Protection Act 1972 , Nagaland scenario of wildlife conservation and protection via Community Conservation Areas; the importance of wildlife awareness among children and let the children be a source of creating more awareness in their families, friends and neighbours; to influence children to be an agent and also be enthusiasts for wildlife and nature in future. From 4th–6th Oct. 2023, Mobius team toured and covered 15 schools across Chumukedima, Niuland and Dimapur district under Dimapur Forest Division observing wildlife week, creating awareness, motivating and influencing thousands of students from the schools.

Nursery of Ruzaphema Village

- * In Ruzaphema Village - the villagers are raising the saplings at their respective homes; every household is committed to raise 1000 saplings which will later be shifted to the NFMP nursery for further care and plantation. Approximately 2791 saplings is being raised, consisting of species such as Khokon, Neem, Kothal, Betelnut etc.

Nursery of Ruzaphema Village

- * FMU Head Shri. Bendangtemsu, FMU Staffs and FNGO members visited Ruzaphema village (Batch-III) on 7th Nov. 2023 to conduct a meeting with JFMC members. The team conveyed the JFMC members about the guidelines to be followed during the implementation of various works under forestry intervention models and nursery techniques to be adopted for raising healthy seedlings, maintenance of good nursery stock for the next year plantation. The team also visited Sirhi Angami village (Batch-III) to conduct meeting with JFMC and SHGs members. JFMC Nursery site and the saplings raised by individual households were inspected and proper instructions on preparation of good nursery soils and selection of species as per the different FIMs were discussed during the meeting.
 - * FMU Head Shri. Bendangtemsu, DMU support staffs, FMU staffs and FNGO team visited Pherima-A village (Batch-II) on 9th Nov. 2023, to conduct a meeting with JFMC members and SHGs. During the meeting, the team gave certificates to JFMC and SHG members who participated in the “**Meri Maati Meri Desh**” campaign. The members discussed on the formation of SHG cluster at the village level and decided to complete the remaining work on GIS Mobile mapping for all the FIMs.
 - * Shri. Sandeep Rajgotra, IFS and Shri Ganesan, IFS (both attached officers) and FNGO staffs visited Sirhi Angami village (Batch-III) and Piphema Old village (Batch-II) on 22nd Nov. 2023. The officers interacted with the JFMC and SHGs members of both the villages regarding the various works implemented under NFMP i.e EPA, WHS and Nursery. The officers examined all the record books maintained at the JFMC level of each village, conveyed the instructions on proper maintenance of Nursery sapling stocks and inspected the nursery sites.
- Shri. Beizo Suokhrie DMU Head Dimapur inaugurated the **SHGs Harvest Sales day** at Piphema Old village marketing shed on 9th Oct. 2023. Variety of organic vegetables, dry flowers, handicraft and special tribal food items were put up for display and sale.

Shri. Beizo Suokhrie, DMU Head Dimapur inaugurating the Harvest Sales day of SHGs at Piphema Old village (Batch-II) on 9th Oct. 2023.

- * Maintenance work at JAF Model Medziphema Village was done on 13th Dec. 2023 by the JFMC Members with the assistance of FMU Field staffs under Medziphema Beat.

The women folks (SHGs) of Medziphema village (Batch-I) being engaged in traditional weaving/handloom activity.

- * Nursery repairment and maintenance work at JFF and JCF Model at Hekheshe Village (Batch-I) was conducted on 15th-16th Dec. 2023 by the JFMC Members with assistance of FMU Head & Field staffs.

JCF Model area of Hekheshe Village

DMU Dimapur set up stall during the Great Hornbill Marathon Race 1023 on 5th Dec. 2023.

DMU Kiphire:

- * FMU Head along with field Staffs visited Keor village (Batch-II) on 3rd Oct. 2023, for GIS work in JFF, JCC and PEC models. The collection of GIS data for creation in JFF & JCC model and Advance work in PEC model were carried out.
- * DMU Head, FMU Head, DMU field Staffs, DMU support staffs and FNGO team visited Yinshikiur village (Batch-III) on 9th Oct. 2023, to see the various activities in the village. The team visited the ongoing construction of Women Society Kitchen under EPA, WHS and FIM areas. DMU Head appreciated the efforts of the JFMC in implementing various works under the project and encouraged them to continue with more efforts in all activities of the project to yield good result. On 9th Oct. 2023, DMU Head, FMU Head, DMU support staffs and FNGO visited Old Risethsi Village (Batch-II) to see the various activities in the village. The team visited the completed works of WHS, Approach road under EPA, nursery and FIM areas. The DMU Head requested them to have good rapport with the department and informed them to visit office anytime for any doubt or clarification regarding the project.
- * FMU Head & DMU Support Staffs visited FIM areas of Anatongre village (Batch-I) on 15th Oct. 2023, for GIS related activities. GIS data entry for Advance work and creation of work in JAF and JCC FIM areas were carried out.
- * FMU Head and DMU Support Staffs visited Amikiro Village (Batch-III) on 9th Nov. 2023. The team first had a meeting with JFMC and discussed about monitoring of treatment areas, health of the plant species planted and functioning of JFMC. Thereafter, collection of GIS data for creation in PEC model was carried out. The team also visited the EPA, WHS and nursery and advice to JFMC to restock the nursery for mortality replacement for next planting season.
- * FMU Head and DMU Support Staffs visited Penkim Village (Batch-II) on 10th Nov. 2023, to see the activities in the village. The team visited the EPA, WHS, nursery and FIM areas. The JFMC members were informed to clean the nursery surroundings and to add more seedlings/saplings in the nursery as there are more plantations to be carried out in the next plantation season in the treatment models.

DMU Kohima:

- * JFMC ToupHEMA (Batch – II) undertook maintenance work in PEC area on 13th and 14th October 2023.

PEC Model area of ToupHEMA village

* Kohima Forest Division in collaboration with DMU Kohima observed the Wild Life Week 2023 on 6th October 2023 at Forest Office Complex Kohima by conducting Quiz Competition. Shri. Chisayi IFS, DMU Head Kohima, dwelling on Wild Life Week 2023 theme 'Partnerships for Wildlife Conservation', said everyone should work in partnership with different institutions and organisations to carry the conservation movement forward. He encouraged the students to contribute to the noble cause of protecting the Wild life and also gave the certificates and cash awards to the winners.

DMU Head Kohima Shri Chisayi, IFS, with the participants of Quiz Competition 2023 during the Wildlife week celebration 2023

* **Seed distribution :** Under the Convergence programme with District Agricultural Office, Department of Agriculture Kohima, vegetable seeds comprising of peas, beans and radish were distributed to SHGs members of Seiyhama village (Batch-II) on 9th Oct. 2023. The seeds were distributed by DMU Support staff and FNGO Team members. During the brief distribution programme, Subject Matter Specialist Agri (NEIDA), Dr. Arensungla Pongen, highlighted the SHGs members on recommended cultivation practices such as field preparation, method of sowing, thinning, irrigation, earthing up, hand weeding, staking and harvesting. In addition, the SHGs were also reminded on the importance of monitoring the progress of the seeds from sowing till the harvest period. Members of Dieze SHG under Seiyhama village started the cultivation of the seeds on 21st Oct. 2023. The seeds were sowed in a demo plot, which were identified by the SHG members.

Seed distribution to SHGs members of Seiyhama by DMU Kohima

- * Data collection in the GIS mobile application and minor changes of polygon in the creation data was carried out at Tuophema PEC Plot-1 on 10th Oct. 2023. It was observed that the village community are still maintaining the nursery and the planted trees are 10-15ft tall. The casualty replacements and maintenance work have been carried out by the community.
- * The JFMC members of Seiyhama village (Batch-II) along with Village Council and GBs conducted maintenance work along the PEC area on 13th-14th Oct. 2023.
- * The DMU Support Staffs under DMU Kohima along with PMU Staffs visited Kisama during the Hornbill Festival to carry out a survey of tourists for ecotourism. The survey was an initiative of the PMU and PMC, to determine whether ecotourism was feasible under NFMP. It was also carried out to check if ecotourism would be beneficial for the village community specifically focusing on the NFMP implemented villages.
- * **Market linkage under CBBO FPO:** Convergence of market linkage with Cluster Based Business Organizations (CBBO) and Farmer Producer Organization (FPO) was carried out on 14th Dec. 2023 at Tseminyu, Gwachonlo and Phenwhenyu village. Through this convergence, the farmers produce are collected from the villages and with the help of the FNGOs, the produce are sold off to various markets. This is done every month in order to assist and help the farmers in their livelihood.
- * **Convergence ILP (Phase-2) for Village Seasonal Planning with VLO & SHGs:** Convergence for Integrated Livelihood Project (ILP) (Phase-2) for village seasonal planning was carried out from 18th-20th Dec. 2023 with the Village Level Organization and SHGs. The meeting with the VLO and SHGs was conducted to discuss the seasonal planting of various crops and which crops are best suited to be planted within their villages during certain seasons. This was done for timely distribution of various seeds acquired from various agencies or line departments. The meeting was an interactive meeting to get a clear understanding of what crops the farmers and SHGs are interested in so that seeds can be distributed accordingly based on their preference as well to establish which type of crops are best suited to their land and seasons.

Kekhrie SHG members of Piphema Old Village harvesting Naga garlic to be sold in the market.

DMU Longleng:

- * Wildlife Week was observed in Longleng Forest Division with students and teachers of Government Middle School, Sitap on 6th Oct. 2023 with Shri. Bendangmongba Ao, FMU Head, Sitap Range, DMU Support staffs. The FMU Head, highlighted the students and teachers about the importance of preserving and conserving nature and its habitat. He said that the department was focussed on students as they are the only hope to understand the reality of conserving wildlife in our society. He further urged the students to spread the message of the importance of wildlife in our ecosystem.

- * Tamlu Village gate was inaugurated by Shri. H. Tokugha Choppy, DMU Head Longleng on 9th Nov. 2023 in the presence of DMMU staffs, village leaders, and JFMC members. The Village gate was constructed under Entry Point Activity (EPA)

Tamlu Village gate was inaugurated by Shri. H. Tokugha Choppy, DMU Head Longleng on 9th Nov. 2023

- * DMU Head Longleng Shri. H. Tokugha Choppy, FMU Head, FMU & DMU Support staffs and FNGO members visited various forestry model sites of Sitap Range on 8th Nov. 2023, Ametchong Village and Tamlu Village on 9th Nov. 2023, Mongtikang Village on 10th Nov. 2023, Pongching Village on 10th Nov. 2023, Yachem Village on 11th Nov. 2023 for inspection of the plantation sites and interacted with the JFMC and SHGs of the villages.

DMU Staffs Longleng posing for lens during their visitation at JAF Model area of Mongtikang village.

- * Conservator of Forests (CF) NTC, Smt. Rongsenlemla Imchen, IFS visited Sitap Range on 14th Nov. 2023 to inspect various forestry models and interact with the JFMC members. The CF was accompanied by ADMU Head Longleng, FMU Head, Sitap Range, DMU support staffs and forest guards.

- * **Training on Paddy Straw Mushroom Cultivation:** A training on paddy straw mushroom cultivation was organized by DMU Office Longleng in collaboration with Krishi Vigyan Kendra (KVK) and Lemsachenlok (FNGO) at KVK office Longleng on 14th Dec. 2023. The training was attended by 12 SHGs from Sanglu Village, Hukphang Village, Pongching Village and Yachem Village.

Training on Paddy Straw Mushroom Cultivation organized by DMU Longleng on 14th Dec. 2023

DMU Mokokchung:

- * Data collection on Monitoring and Evaluation for both artificial plantation & ANR plantation performance and GIS mobile app were conducted for all the Batch-II villages- Chakpa, Sungratsu, Longmisa, Mopungchuket and Mongsenyimti villages.
- * Data collection on Monitoring & Evaluation at JAF Model and GIS mobile app for all Model areas of Sungratsu village were completed on 10th Oct. 2023, JAF, JFF, JCF Model and GIS mobile app for all Model areas of Longmisa village were completed on 11th Oct. 2023, at JAF, JFF, JCF Model and GIS mobile app for all Model areas of Chakpa village were completed on 12th Oct. 2023, at JAF & JFF Model and GIS mobile app for all Models areas of Mongsenyimti village were completed on 4th Oct. 2023.

JCC Model area of Longmisa village

Nursery of Chungtia village

- * Data collection for WebGIS mobile application for JCC & PEC model areas of Mopungchuket village were completed on 5th Oct. 2023,
- * JFMC Longmisa village undertook clearing and maintenance work in four model areas of JAF, JFF, JCF & JCC on 10th Oct. 2023.
- * ADMU Head Mokokchung visited all the forestry model areas of Batch-III villages on 16th Oct. 2023, the team inspected all the JFMCs Nursery, WHS & EPA. The DMU Team also had an interaction with the JFMC members along with the farmer group.
- * FMU staff along with FNGO team conducted training-cum- meeting with the JFMCs of Mangmetong, Satsu & Longkhum village on 30th Nov. 2023 (after completion of FPIC and selection of JFMC executives of Batch-IV

villages), detailed information regarding the project, its objectives, selection of model areas, record keeping, responsibility of the JFMC, etc. were highlighted and discussed. The queries of the JFMCs were also clarified and consultation done on the House-to-House survey and PRA exercises of micro planning process. The House-to-House survey was completed by 10th Dec. 2023 while the detailed Microplanning process would be conducted in January 2024.

- * Longmisa JFMC members carried out the maintenance work at JCC & PEC Model areas on 11th Nov. 2023, and at JCF Model area on 28th Nov. 2023
- * FMU & DMU staff along with the faculties from Chiangmai University Thailand conducted a field visit to Longmisa village on 7th Nov. 2023. The visiting faculties had an interactive session with the JFMC members on their mode of community participation in management of community forests and jhum cultivation. Site visit to jhum fields and JAF model areas were undertaken to familiarize the visiting team with the jhum practices and NFMP activities.

Scholars from Chiangmai University, conducting a field visit at Longmisa village

- * The ADMU Head, FMU Staff and JFMC members inspected the Nursery, WHS, EPA and plantation activity in all the 5 Model areas on 28th Nov. 2023. A brief meeting with the JFMC Members of Lonkong Village was also done. Nursery maintenance continued periodically under the guidance of JFMC executives.

DMU Peren:

* ADMU Head and FMU field staffs inspected the JFMC nursery of Peren village on 13th Oct. 2023, to check the nursery stock and to see the ongoing nursery maintenance. The seedling in the nursery stock was 4731.

Nursery at Peren village

* DMU Support staffs visited Peletkie village (Batch-II) on 23rd of Nov. 2023, for collecting and uploading GIS data in Web GIS portal through mobile application for Model-I & V.

DMU Support staff at the Regional Agri Fair, North East India Farmers' conclave 2023-24, Agri-Expo Chumoukedima on 12-14 Dec. 2023.

* The Central Agriculture University, Imphal organized a Regional Agri Fair, North East India Farmers' conclave 2023-24 at Agri-Expo Chumoukedima on 12th-14th Dec. 2023. The ADMU Head Peren, DMU staffs and FNGO members participated in the program, collected SHGs produce for display and sale of the products.

DMU & FMU staffs after the General body meeting with JFMC Mpai Namci.

* DMU Support staffs and FMU staffs carried out the GIS survey of treatment area of JCC & PEC model of Puiwa village on 7th Dec. 2023.

DMU Wokha Support staffs at the SHG Exhibition cum sales at CT Square, Chumukedima

DMU Phek:

* JFMC Kami village undertook maintenance work at 3 model sites during the month of October with approximately 150 members taking part during the maintenance work. Maintenance work was done in JFF, JCF and JCC model sites. A meeting was held with JFMC members of Kami Village on 4th December at Kami village to discuss about the selection of SHGs and allotment of RF and CF

DMU Tuensang:

* The FMU Head, FMU & DMU Support staffs and FNGO members visited JAF, JFF and PEC model of Pangsha Old village on 3rd-7th Oct. 2023, JAF, JFF, JCF and PEC model area of Dan village (Batch-II) on 9th-14th Oct. 2023, Kuthur village (Batch -II) on 13th-16th Nov. 2023, Alisophur village (Batch-II) on 20th-24th Oct. 2023, Waphur village (Batch-II) on 4th-8th Dec. 2023 for retrieving and updating of datas in WebGIS mobile application.

- * DMU Support staffs and FNGO members visited Nokhu village on 16th-18th Oct. 2023, Pang village on 23rd-27th Oct. 2023, Chipur village on 6th-8th Nov. 2023 for preparation of Micro-Plan and site selection for treatment model areas.
- * The DMU Support staffs visited Waphur village on 28th Nov. 2023, Old- Pangsha village (Batch-II) on 11th Dec. 2023 for inspection of the different forestry model areas, Nursery, WHS and EPA of the respective villages.

DMU Wokha:

- * DMU Wokha celebrated the Wildlife week on 6th Oct. 2023, under the theme “Partnership for Wildlife Conservation” at Lotha Tribal Council Hall. The program was attended by DMU Head, Shri. Suman W M Sivachar IFS, ADMU Head, FMU Head Wokha Range, FMU Head Doyang Beat, DMU support staffs and FNGO members. The program was also attended by Shri. Kamdi Hemant Bhaskar, IFS (CF), Eco-Warriors, Fr. T C Joseph and school students.
- * DMU support staffs & FNGOs participated in the SHG Exhibition cum sales held at CT Square, Chumukedima on 13th-14th Oct. 2023. During the exhibition, SHG product worth Rs 17,000 were sold during the two-day event.
- * FMU & DMU Support staffs and FNGO members visited New Wokha Village (Batch-II) on 26th Oct. 2023, JCF model site Yikhum Village under (Batch-I) on 1st Nov. 2023, JAF model site of Old Changsu Village (Batch-I) on 3rd Nov. 2023, JFF model site of Old Riphym Village (Batch-I) on 4th Nov. 2023, JAF model site New Changsu Village (Batch-II) on 29th Nov. 2023 for retrieving and updating of datas in WebGIS mobile application.
- * FMU Head Wokha Range, DMU Support staffs, FMU Field staffs and FNGO members visited N Longidang Village (Batch-IV) on 15th Nov. 2023, to conduct the formation of JFMCs in the village. The JFMCs formation was attended by members of Village Council members, student body, VDB members and SHGs groups.

- * Inauguration of Nungying Village Student Union Office : DMU Head Wokha, Shri. Suman WM Sivachar IFS inaugurated the Nungying Village Student Union Office constructed under EPA on 16th Nov. 2023. Nungying Village is one of the villages selected for

Shri. Suman W M Sivachar IFS inaugurating the Nungying Village Student Union Office constructed under EPA on 16th Nov. 2023

implementation of NFMP in Batch-IV under DMU Wokha. DMU Head Shri. Suman W M Sivachar IFS congratulated the JFMCs members for completing the construction of EPA and for having the thought for to construct an important institutional office of the village.

- * The JFMC members conducted maintenance work at JFF model site of Longsachung Village on 5th -6th Dec. 2023. On the same day, the JFMC members conducted the maintenance work at JFF and JAF-I and JAF-II model site of Wokha Village

- * DMU Head Shri. Suman W M Sivachar IFS inaugurated the Rostrum of Yikhum village on 7th Dec. 2023. Yikhum village Rostrum is constructed under the EPA. DMU Head congratulated all the staffs engaged in executing the work and requested the JFMCs and the villagers to maintain the rostrum well since it belongs to the village.

Shri. Suman W M Sivachar IFS inaugurated the Rostrum of Yikhum village on 7th Dec. 2023

- * DMU support staff visited Shaki Village (Batch-IV) on 9th Dec. 2023, to conduct meeting and to obtain the Free Prior Informed Consent (FPIC). The meeting was attended by Village Council members, Student Union and village SHGs.

DMU Zunheboto:

- * DMU Support staffs conducted monitoring of SHG 2nd Cycle, IGA & Business Plan at Emlo and Yesholuto village (Batch-I) from 6th to 10th Nov. 2023.
- * DMU & FMU staffs inspected the nursery of JFMC Litsami and Vekuho Old Village (Batch-III) from 24th to 26th Nov. 2023

Shri. Temjenyabang, IFS, Project Director (AFP) speaking at the celebration of Wildlife week in DMU Zunheboto on 6th Oct 2023.

- * DMU Support staffs inspected the EPA & WHS at Awohumi, Shesulimi, and Hebolimi villages (Batch-III) from 25th to 27th Nov 2027
- * JFMC members carried out maintenance work at the various plantation areas of Vekuho Old village (Batch-III) on 15th Dec. 2023
- * Product profiling for preparation of SHGs IGA and Business Plan were carried out at Hebolomi Village (Batch-III) on 15th-16th Dec. 2023.
