FROM THE DESK

The present quarter witnessed the visit of officials from the Ministry of Foreign Affairs, Japan and JICA India to the project villages. The Officials visited the project villages of Tseminyu and Terogvunyu under Kohima Forest Division. The Officials interacted with the villages and appreciated the support of the village community in implementation of the project. Periodic visit of the PMU/ DMU Officials to the project villages and interaction with the villages helps understand the ground realities which in turn helps in proper implementation of the Project. During the said quarter, officials from the PMU and DMUs visited various project villages and interacted with the villages to take stock of the progress in project implementation. Various trainings programmes like “Training on SHG Strengthening & Management” and “Training on Terrace Line Transplantation” were conducted during the quarter. Plantation and maintenance activities were taken up in the said quarter.

(M. SENTHIL KUMAR) IFS

Project Director,

Human Resource Development, R&E
Nagaland Forest Management Project.

Officials from the Ministry of Foreign Affairs Japan and JICA mission members visits Tseminyu and Terogvunyu villages:

Mr Tokita Yuji, Director of Country Assistance Planning Division II, International Cooperation Bureau, Ministry of Foreign Affairs, addressing Tseminyu Village community

The visiting team along with Department officials and Tseminyu village community

Officials from the Ministry of Foreign Affairs, Japan and Japan International Cooperation Agency (JICA) Mission Members, India visited Tseminyu district on 10th April 2024. On their field visit to Tseminyu Village, the officials visited the Forestry Intervention Model Area in Tseminyu Village which is being implemented under the Nagaland Forest Management Project (NFMP). The Joint Forest Management Committee (JFMC) members apprised the officials on various agricultural practices of the community. Various records and registers maintained by the JFMC were also reviewed by the officials. Speaking during a brief reception programme held in the village, Mr Tokita Yuji, Director of Country Assistance Planning Division II, International Cooperation Bureau, Ministry of Foreign Affairs appreciated the support of the village community for extending their cooperation in the project implementation. He hoped that the project will be further enhanced and implemented in a sustainable way in the future. He further expressed hope that the Japan Government and his team would continue to work in the future in further enhancing the relationship between Japan and India, Japan and Nagaland and Japan and Tseminyu Village. Also speaking during the programme, Mr. Wakamatsu Eiji, Senior Representative, JICA India Office expressed happiness to see that the project is well received by the village and hoped that the project contribute more prosperity to Tseminyu Village. In his brief address to the gathering, Mr. Temjenyabang, IFS, CCF & Project Director (Administration, Finance and Procurement) NFMP expressed delight to see the progress that has been made in the village with the ardent support from the community. Mentioning that every member of the village is a member of the project, he said, this shows a bond that we have in every Naga village and believed the guest from Japan will take back with them. He further encouraged the Tseminyu village community to continue to cooperate with the Department and project to take the project further and also improve not just the environment, ecology, state or village but also improve the livelihood and economy of their village.

During the visit to Terogvunyu village, the officials visited the village gate, constructed as the Entry Point Activity under NFMP. They also interacted with the members of three Self Help Groups selected under NFMP to take up Income Generation Activities. The SHGs members briefed them on the various activities which they took up and how it contributed to their livelihood improvement.

Other members of the visiting officials included Mr. Hosaka Shun, Second Secretary, Economic Wing, Embassy of Japan in India and Ms. Uda Chikako, Senior Development Policy Planning Officer of Country Assistance Planning Division II, International Cooperation Bureau, Ministry of Foreign Affairs and Ms. Sushma Sen Adarshi, Development Specialist, JICA India Office. The visiting team were accompanied by Shri. Temjenyabang, IFS, CCF & Project Director (Administration, Finance and Procurement) NFMP, Shri Supongnukshi Ao, CCF (Environment, Biodiversity & Research), Forest Department Officials of Nagaland, DMU Kohima Officials and Support staffs, PMC members and FNGO Team members.

Annual Review Meeting: Annual Review Meeting of various DMU's for FY 2023-24 were conducted during the quarter April to June 2024. The meeting was attended by all the DMU Officials and staffs, JFMC representatives and SHG members of their respective Divisions.

Farmers Training on Terrace Line Transplanting Conducted at Yachem Village: The training for farmers of Yachem village on Terrace Line Transplantation was conducted at Yachem Village on 7th June 2024 by DMU Longleng and FNGO LEMSACHENLOK in collaboration with Agriculture Department Longleng.

During the training, the farmers were apprised of the various farming techniques in terrace line transplantation and its final output. They were encouraged to avoid the traditional practice of Jhum cultivation and to follow the new and sustainable method of farming.

Demonstration of Terrace Line Transplantation technique at Yachem village

Inspection/ Visits:

Inspection at Tseminyu and Terogvunyu villages: An inspection team led by Shri Supongnukshi IFS, CCF Nagaland visited Tseminyu village (Batch-III) and Terogvunyu village (Batch-II) on 6th April 2024. During the inspection, the team members comprising of Shri Chisayi IFS, DMU Head Kohima, Dr. Sevono Seletsu, ADMU, Shri Yhuntilo Kent, FMU Head Tseminyu inspected the EPA (resting shed) constructed in Tseminyu village. The JFMCs and SHGs members of both the villages were asked to maintain the various records and registers up to date. In this regard, the FNGO Team members were directed to facilitate the JFMCs and SHGs in updating the various records and maintain them in a timely manner. The inspecting officials also visited the sites of Forestry Intervention Models, wherein the JFMC members were instructed to set proper sign board along with details of works being implemented. While inspecting the IGA of Kerhun SHG of Terogvunyu village, the SHG members were encouraged to continue with the activity so that they can continue to generate income

Chief Project Director, NFMP visits Tuophema and Tseminyu Range Office: Shri Dharmendra Prakash, IFS, PCCF & HoFF, Nagaland and CPD, NFMP visited Tuophema village and Tseminyu Range Office on 1st April 2024.

During the interaction in Tuophema village, the JFMC and SHGs members updated on various works carried out under the project. The performance of Shitake mushroom, weaving activity and pig rearing were also discussed with the SHGs members. All the three SHGs has successfully completed their IGA, generated income and have also repaid the loan (Revolving Fund) to the JFMC. The CPD suggested on opening of WhatsApp group comprising of JFMCs, SHG, DMU staff and FNGO team members for smoother coordination. Meanwhile, Shri Dzieselhou Thong, JFMC Chairman Tuophema assured continued support to the Department and NFMP for the welfare of the communities.

Shri Dharmendra Prakash, IFS, PCCF & HOFF Nagaland & Chief Project Director, NFMP along with DMU Kohima Officials and Support staffs, FNGO Team members and JFMC members of Tseminyu village at FMU office Tseminyu

In Tseminyu, the visiting team members visited the Range Office constructed under the project. During the interaction with JFMC members of Tseminyu village, Shri Sinlo Semp JFMC Chairman Tseminyu village updated on the status of Entry Point Activities and forestry models adopted in the village under NFMP. The three SHGs of Tseminyu village has submitted their business plan and is yet to receive the Revolving Fund. He further suggested that some of the JFMC members should be trained to build their skills on identifying tree/animal species.

Field Visit by Shri. Shailendra Kumar (PMC Livelihood Expert) on 25th April, 2024: On 25th April, 2024 Shri. Shailendra Kumar (Livelihood Expert) had a discussion with the DMU & ADMU Head and FMU Staff of Mokokchung regarding the

status of the SHGs of Batch-I&II. The meeting was also attended by the FNGOs who gave insightful presentation on the current scenario of the SHGs. He then visited the villages of both FMU Mokokchung (24th April) and FMU Changtongya (25th April) and had a meeting with the respective SHG groups.

Convergence:

Animal Health Service Camp & distribution of pig feeds: An animal health service camp was conducted on 29th June 2024 at NFMP Villages of Tseminyu, Zisunyu, Phenwhenyu, Gwachonlo, Tsosinyu, Ehunnu and Terogvunyu, a collaborative programme with Naga Maiki Small holder Pig Producer Company under convergence with Integrated Livelihood Project (ILP 2). The main motive of this initiative is to provide convenient and timely access to health care products in every village especially for pig health management, provide preventive care services to enable farmers to implement bio-security measures for African Swine Fever (ASF) and raise awareness about General pig health and specifically on ASF. The community mobilizers of the respective villages assisted the Life Stock service provider in conducting the animal service camp. Pig feeds were also provided to village members of Phenwhenyu.

Brief highlights of the Activities undertaken in the DMU's during the Quarter:

DMU Dimapur:

- * DMU Head Dimapur along with ADMU Head, Support staff, FMU Head Medziphema, field staffs and FNGO Team visited Batch-III villages (Ruzaphema & Sirhi Angami) on 24th April
- * FMU staffs along with JFMC members undertook enumeration of trees for assessment of plantation survival for Thekrejuma village (Batch-I) in JCF Plot-II sample plot 6 & 7 on 3rd April 2024. Data collection was done from the layout Sample plots marked on 28th March & 30th March.
- * Piphema FMU head along FMU staff visited Piphema Old village (Batch-II) on 4th April 2024 and inspected Nursery transplantation works and plantation site of JAF Model.
- * DMU Dimapur Annual Review Meeting for the year 2023-24 was conducted on 25th -26th April 2024
- * FMU Head Piphema and staffs along with JFMC members undertook enumeration of trees for assessment of plantation survival for Thekrejuma village (Batch-I) in JAF Plot-I & II on 10th May 2024
- * Construction of Check Dam (EPA) at Ruzaphema Village (Batch-III) was completed on 25th May 2024. The check dam measures 30ft x 3ft x 7ft (Length x Width x Height)
- * To commemorate the World Environment Day, FMU staffs along with JFMC members and FNGO undertook Tree plantation drive in schools & public places in all the NFMP project villages from 1st-5th June 2024. Altogether around 2000 saplings were planted
- * On June 5th 2024, DMU Dimapur in collaboration with Chakhroma Public Organization and Medziphema Royal FC organized Mass social work and plantation drive.
- * On 28th & 29th June 2024, FMU head along with FMU staff visited Piphema Old (Batch-II) to supervise the plantation works carried out in JCCCA and PEC treatment site. The Plantation works was done in 4.45 ha JCCCA area and 339.27 ha PEC area.
- * Plantation at JFF (15 ha), JCC (3 ha) and PEC (16 ha) at Sirhi Angami (Batch-III) was done on 5th & 21st June 2024. Some of the Tree species planted were Teak (*Tectona grandis*), Khokon (*Duabanga grandiflora*), Hollock (*Terminalia myriocarpa*), Betelnut (*Areca catechu*)
- * At Ruzaphema Village (Batch-III) Plantation was done at JAF (26 ha) and JCF (7 ha), some of the species planted were yongchak (*Parkia roxburghii*), Betelnut (*Areca catechu*), Neem (*Azadirachta indica*) etc. The FMU Head Medziphema and staff inspected the plantation activity on 20th & 28th June 2024.
- * DMU Dimapur conducted One Day Training on SHG Strengthening and Management Module-I for Sirhi Angami village (Batch-III) on 19th June 2024 and Ruzaphema village on 21st June 2024.

DMU Kiphire:

- * FMU Head along with executive staff visited Keor village on 5th April, (Batch-II), visited Bilongkyu village on 5th April, visited Yingshikiur village (Batch-III) on 8th April, visited New Longmatra village (Batch-III) on 11th April, visited Azetso village (Batch-III) on 11th April, visited Penkim Village (Batch-II) on 29th April 2024 to oversee the plantation activities and maintenance work.
- * DMU Head Kiphire Shri. Rama Shankar Prasad, IFS along with FMU Head visited New Longmatra village and Azetso village on 18th May, 2024. He visited JAF model, JCF model & inspected EPA, WHS & NFMP nursery stock. He also conducted JFMC meeting along with SHGs.
- * DMU Kiphire Annual Review Meeting for the year 2023-2024 was conducted at Deputy Commissioner Office on 20th May 2024. DC Kiphire Shri. Temsuwati Longkumer, was the special invitee for the meeting.
- * ADMU Head and DMU support staffs visited Amikiro village (Batch-III) on 22nd May 2024 for JMFC meeting, inspection of EPA, WHS & NFMP nursery & visit to JAF & JCF model areas.
- * FMU Head and DMU support staff visited Kisetong Village (Batch-III) on 8th June 2024, for JMFC meeting, inspection of EPA, WHS & NFMP nursery stock & visit to JAF & JCF model.
- * DMU Kiphire in collaboration with Horticulture Department Kiphire organised one day convergence training on Floriculture for SHGs at Azetso village Batch-III on 15th June 2024. The training was conducted by FNGOs (Evergreen Welfare Society) NFMP, Kiphire in collaboration with Horticulture department Kiphire.
- * DMU Support Staff visited Amikiro village (Batch-III) on 18th June 2024 for supervision of mortality replacement/plantation in PEC model.
- * DMU Support Staffs visited Amikiro (Batch-III) on 21st June 2024 for supervision of mortality replacement/plantation in JAF model.
- * DMU Support Staffs visited Pokphur Village (Batch-II) on 22nd June 2024 for supervision of JCC model maintenance. The objective of the visit was to shoulder hand holding support during the plantation & to oversee plantation works
- * DMU Support Staffs visited Penkim Village (Batch-II) on 24th June 2024 for supervision of mortality replacement/plantation in JCC model.
- * DMU Support Staffs visited New Longmatra village (Batch-III) on 25th June 2024 for supervision of plantation in JFF model, visited Amikiro Village (Batch-II) on 28th June 2024 for supervision of mortality replacement/plantation in JAF model.

DMU Kohima:

- * DMU Kohima conducted the Annual Review Meeting on 30th April 2024 at Forest Office Complex, Kohima.
- * Shri Supongnukshi IFS, CCF Nagaland visited Tseminyu village (Batch-III) and Terogvunyu village (Batch-II) on 6th April 2024.
- * Shri Dharmendra Prakash, IFS, PCCF & HoFF, Nagaland and Chief Project Director, NFMP visited Tuophema village and Tseminyu Range Office on 1st April 2024.
- * Officials from the Ministry of Foreign Affairs, Japan and Japan International Cooperation Agency (JICA) Mission Members, India visited Tseminyu district on 10th April 2024.
- * Grading of 3 selected Batch-III village SHGs was conducted at Tseminyu, Ehunnu and Tsosinyu villages on 26th, 27th and 28th April 2024 respectively. During the grading, the SHGs members signed the loan agreement and loan application
- * FNGO Team conducted plantation drive at Terogvunyu village on 21st May 2024 under NABARD Springshed based watershed development programme, which covered up the JAF and PEC model of Terogvunyu village.
- * The FNGO team members along with JFMC members carried out the JFMC Performance Assessment, reviewed the registers and other records in the Batch-I, II and III villages.
- * The JFMC members of Seiyhama village (Batch-II under Chiephobozou Range) along with women members conducted maintenance work at Seiyhama PEC Model on 1st May 2024.
- * An animal health service camp was conducted on 29th June 2024 at NFMP Villages of Tseminyu, Zisunyu, Phenwhenyu, Gwachonlo, Tsosinyu, Ehunnu and Terogvunyu, a collaborative programme with Naga Maiki Small holder Pig Producer Company under convergence with Integrated Livelihood Project (ILP-2).
- * The JFMC members along with village members of Ehunnu (Batch-III) carried out clearance work at JFF Model area on 13th June 2024.

DMU Longleng:

- * The maintenance work at JAF-2 Sitap, JAF Ametchong and JAF Tamlu villages were done on 3rd, 4th and 5th April 2024 respectively by JFMC members and villagers.
- * DMU Head and Support staffs visited Yachem Village on 17th April 2024 for the disbursement of Revolving Fund cum meeting with Batch-III village SHGs of Yachem village, at Yachem Village Community Hall.
- * DMU support staffs visited Mongtikang village on 17th May 2024 to assess the JFF and JAF areas, which needed plantation.
- * The Monitoring of JFF Pongching village was done by FMU Head, Longleng along with JFMC Members and DMU support staff on 18th May 2024.
- * The monitoring of cleaning in the plantation model area, and carrying out maintenance works in Pongching Village JAF site was conducted by DMU support staff and JFMC members on 20th May 2024.
- * DMU support staffs and JFMC Members visited JAF-1 and JFF areas of Yachem Village to assess the various plantation models on 29th May 2024 for the upcoming plantation month.
- * On account of World Environment Day, Half Marathon race for all the schools of Longleng was organized by Longleng Forest Division in Collaboration with NBSE and World Vision India on the theme, "Land restoration, desertification and drought resilience" on 5th June 2024 at Local Ground Longleng.
- * The training for farmers of Yachem village on Terrace Line Transplantation was conducted at Yachem Village on 7th June 2024 by DMU Longleng and FNGO LEMSACHENLOK in collaboration with Agriculture Department Longleng
- * DMU Longleng Annual Review Meeting was conducted on 12th June 2024 in the Forest Office complex

DMU Mokokchung:

- * Longkong JFMC members carried out clearing of overgrowths and weeds in all the Model areas from 3rd to 4th week of April 2024. The JFMC members undertakes Nursery Maintenance, weeding, watering, etc. every alternate day.
- * Sungratsu JFMC members carried out Maintenance work in PEC Model area from 2nd to 3rd Week of April 2024,
- * Chakpa JFMC carried out the Maintenance work at all the Model Area from 1st Week of April 2024.
- * A two-day DMU Annual Review Meeting was conducted on 29th-30th April 2024 at CF (NTC) Office Complex, Marep.
- * FMU Head and Support staffs went for survey of Model areas of Liroyim village on 10th-12th April. The team inspected the possible sites to be undertaken as JAF, JFF, JCF and PEC model areas.
- * Shri. Shailendra Kumar, PMC (Livelihood Expert) had a discussion with the DMU & ADMU Head and FMU Staffs of Mokokchung on 25th April, 2024 regarding the status of the SHGs of Batch-I & II villages.
- * Plantation was carried out at both the JCC & PEC Models of Longpa village. Altogether 160 saplings of *Hoveniadelphica* were planted at Model 4 & 5.
- * Longkong JFMC has distributed around 360 saplings of *Duabangagrandidiflora*, 520 saplings of *Toonasinensis* & 80 saplings of *Meliaazedarach* to the farmers and plantation was carried out at JAF Model under the supervision of the FMU Staffs.
- * Aliba JFMC has carried out the activity of cutting & clearance at all the three Models i.e., JCF, JCC & PEC and gap replacement of around 50 saplings of *Duabangagrandidiflora*, 10 saplings of *Artocarpuschaplasha*, 15 saplings of *Toonaciliata* & 10 saplings of *Quercusserrata* were replanted on the three models.
- * Sungratsu JFMC carried out the Maintenance work at JAF Model Area from 2nd & 3rd Week of May.
- * Chakpa JFMC has carried out the Maintenance work at JAF, JFF & JCC Model Areas from 15th-18th May
- * JFMC Salulamang conducted the maintenance work of all the Model areas on 17th-18th May.
- * Chungtia JFMC has taken up the activity of maintenance work like clearing & cutting and plantation at PEC Model Area. A total of 3500 saplings were planted i.e., 2000 saplings of *Artocarpuschaplasha* & 1500 saplings of *Chukrsiatabularis*.
- * Chungtia JFMC carried out the Maintenance work & Plantation activity at JCC & PEC Model Area on 7th, 8th, 21st & 24th June. Around 200 saplings of *Prunusavium* were planted.
- * Longmisa JFMC carried out maintenance work like cutting & clearing activity work at Model-5 on 15th June

DMU Mon:

- * PRA exercise for Microplan was conducted for Batch-IV villages i.e Longkei village & Leangnyu village. Microplans for Batch-IV under Mon Division have started.
- * DMU Staff and FNGO Team visited different NFMP villages under DMU Mon for inspecting documents at SHG level and the performance of their activities
- * The activities carried out under Naginimora Range during the month of June includes PIC Signing with Chingdang village (Batch-IV), visiting Shiyong Village for JFMC Formation and JFF Model ground review for Plantations of Wakching village (Batch-II)
- * On 5th June 2024, World Environment Day, the DMU staffs took part in the Greenathon Run for Awareness; under the theme “Land Restoration, Desertification and Drought Resilience” organized by the Department of Environment, Forest and Climate Change in collaboration Nagaland Board of School Education for students under Mon Town.

DMU Peren:

- * FMU Head Tening and DMU Support staffs visited Old Nzau village on 11th April, 2024 for field inspection and to see the maintenance work.
- * DMU Peren Annual Review Meeting was conducted on 3rd May, 2024 at Forest Resource Centre, Jalukie. A one-day Exposure field trip was organized for the participants to give first hand information on all the NFMP activities undertaken by JFMC Peletkie village.
- * Plantation and Maintenance work at JFF model Mpai Namci (Batch-I) - Planted several fruit bearing tree species Mango, Jack fruit, Peach etc at JFF area.
- * FMU Head Peren and Support staffs conducted field visit to plantation area (JAF model) of Peletkie village for three consecutive days w.e.f 27th-29th June, 2024. Altogether 2700 saplings was distributed to the farmers from the JFMC nursery and planted at their respective field.
- * Upper Sinjol village conducted Advance work and plantation works during the month of June.
- * During the month of June 2024 maintenance work and plantation was carried out at PEC and JFF models of Nchangram village (Batch-I)
- * Construction of EPA & WHS at Upper Sinjol village were completed in the month of June 2024. Under EPA component, a community Kitchen was constructed.
- * DMU Mon participated in celebration of “Ek Ped Ma Ki Naam” in which Daughter and Mother are encouraged to plant a sapling.

DMU Phek:

- * DMU Phek Annual Review Meeting was conducted on 14th May 2024 at Council Hall Phek Town. The meeting was attended by DC Shri John Tsulise Sangtam (NCS), Shri. Enyiwekha Wezah DMU Head, FMU heads and staffs, DMU support staffs, FNGOs and representatives from Batch-I to III villages.
- * FPIC for Shatuza village (Batch-IV) was conducted on 10th May 2024 at village council hall Shatuza. With the completion of the FPIC, currently formation of JFMC is currently ongoing in the Batch-IV villages under DMU Phek.
- * JFMC Pfutseromi conducted casualty replacement plantation in the JAF plantation area during the month of May 2024. Species like wild Apple, Cherry, Alder and Black cherry were planted.
- * During the month of June, Batch-II villages under FMU Pfutsero were engaged in casualty replacement plantation in different model areas.
- * Pfutseromi village planted around 1800 saplings in the JFF area which includes cherry and wild apple
- * Lekromi village planted around 3200 saplings of cherry, wild apple, titachap etc in JFF, JCF and JCCCA model sites during the month of June.
- * Kikruma village planted around 5000 saplings in JCF, JCCCA and PEC sites. The species includes cherry, oak, alder and wild apple etc.

DMU Tuensang:

- * The FMU head Noklak and DMU Support staffs visited Noklak village (Batch-III) on 1st April 2024, visited Sanglao village (Batch-III) on 3rd April 2024, visited Peshu village (Batch-III) on 4th April 2024, visited Kingjung village (Batch-III) on 6th April 2024 for site selection on WHS & EPA, visited Nokhu village (Batch-IV) on 8th April 2024, visited Chiphur village (Batch-IV) on 15th April 2024 for site selection for Treatment model area.
- * FMU Head, DMU support staffs and FNGO (Life Care society) visited PhirAhir village (Batch-IV) under Longkhim Range for FPIC on 7th May 2024.
- * DMU Tuensang Annual Review Meeting for FY 2023-2024 was conducted on 20th May 2024, in CKS Hall. The program was attended by DMU Head, ADMU Head, FMU & DMU Support staffs and Life Care society (FNGO)
- * DMU Support staff along with FNGO's (Life Care Society) visited Waphur village (Batch-II) on 21st -25th May 2024, for web GIS on mobile in all treatment model area.
- * DMU Support staffs visited Old Mangangki village (Batch-III) on 10th June 2024, visited old Tsadang village (Batch-III) on 11th-12th June 2024, visited Chare village (Batch-III) on 13th-14th June 2024 for SHG and JFMC review meeting & to upload WebGIS of livelihood activities, JFMC and nursery, visited Angangba village (Batch-II) on 24th-26th June 2024 for SHG's selection for second circle & business plan preparation for 2nd circle.
